

General Practitioner

At SEHCF, we are committed to delivering holistic, patient-centered care that integrates lifestyle, prevention, and optimal treatment. Our dedicated team of General Practitioners, Emergency Care Doctors, District Nurses, Physiotherapists, and other healthcare professionals works collaboratively to provide comprehensive care for the residents of St. Eustatius.

This multidisciplinary approach fosters teamwork and ensures that patients receive coordinated, high-quality care tailored to their needs. We empower patients to achieve self-reliance at home and in their community, with General Practitioners playing a central role in proactive health management and promoting healthier lifestyles. With direct access to specialists on Sint Maarten for consultations and referrals, our care network is seamless and efficient.

Your Role as a General Practitioner

As a General Practitioner at SEHCF, you will:

- Conduct consultations and create individualized treatment plans.
- Collaborate with a multidisciplinary team to ensure comprehensive care.
- Provide community care, chronic disease management, and preventive health services.
- Perform minor surgical procedures and routine GP tasks in our clinic.
- Utilize digital tools and teleconsultation options to enhance patient care.

Emergency care responsibilities are minimal, allowing you to focus on continuity of care and building meaningful relationships with your patients.

Why This Role Stands Out

- **Professional Growth:** Shape your own practice with autonomy in consultations, prescriptions, and referrals.
- **Collaboration:** Work closely with a supportive local team and visiting specialists to achieve the best outcomes for your patients.
- **Innovation:** Benefit from modern tools and resources in a well-supported practice environment.

Life on St. Eustatius

St. Eustatius offers a unique opportunity to immerse yourself in a vibrant, welcoming community with rich cultural heritage and stunning natural beauty. The island combines the warmth of small-town living with the fulfillment of practicing meaningful medicine.

Practical Benefits

- Competitive compensation.
- Housing support and relocation assistance.
- A seamless transition to life and work in a modern, supportive healthcare setting.

Your Profile:

We are looking for a General Practitioner who meets the following criteria:

- BIG-registered (or equivalent) with broad expertise in general practice.
- Additional skills or experience in chronic and elderly care are a plus.
- Empathy and cultural awareness to connect with the diverse population of St. Eustatius.
- Strong command of the English language (spoken and written).
- Excellent communication skills to engage with patients, team members, and stakeholders.
- A team player who values collaboration and feedback.
- Full-time availability and flexibility to adapt to a comprehensive range of tasks.
- Willingness to commit to at least 1 year (extension possible).
- Previous foreign work experience is an advantage but not required.

What SEHCF Offers

- A rewarding role with opportunities for personal and professional development.
- Competitive employment conditions within the region.
- Relocation support, including provisions for family members.
- A dynamic and fulfilling experience for a General Practitioner seeking new challenges.

Interested?

If this opportunity excites you and you meet the requirements, we invite you to apply. The selection process includes introductory interviews via video calls, and an assessment may be part of the procedure. For more information or to submit your application, please contact Dr. Baboe, Medical Manager, at HR@sehcf.org.

Embark on a fulfilling journey where your expertise makes a difference in a close-knit community. Apply today and become an integral part of SEHCF's mission to deliver exceptional care on the beautiful island of St. Eustatius.
