

Quality support specialist (Temporary project assignment - 4 months)

Are you a driven and analytical professional with a keen eye for detail? Do you have quality management experience and are you looking for a temporary challenge? Then we have the ideal project for you!

Project description: we are looking for a quality support specialist for a temporary assignment of 4 months. In this role, you will be responsible for performing specific tasks to ensure the quality of processes and products. You will work closely with various departments to ensure compliance with quality standards and procedures.

Responsibilities:

- Implementation of a quality management support tool
- Implement quality standards and procedures (JCI)
- Execute progress in implementing the 2025 quality annual plan
- Maintain the key quality processes
- Implement infection prevention
- Perform quality controls and audits within assigned project.
- Prepare quality reports and dashboards.
- Advise team members and other departments on quality improvements.

Your profile:

- Experience in a quality-related role, preferably in a support function.
- Good knowledge of quality management systems and methodologies.
- Strong analytical skills and attention to detail.
- Willingness to jump in quickly on a temporary, results-oriented assignment.
- Languages: Fluency in English and Dutch.

About St. Eustatius Health Care Foundation

The St. Eustatius Health Care Foundation (SEHCF) manages the island's premier and only medical facility. Our dedicated team of 65 professionals includes nurses, doctors, supporting administrative staff, a midwife, a physiotherapist, a gynecologist, and specialized Practice Nurses for chronic care, ensuring comprehensive primary care services for our community.

At SEHCF, our commitment to excellence is reflected in our diverse range of healthcare services. From outpatient services featuring general practitioner care and visiting specialists to community (home) care, emergency response, inpatient care, physiotherapy, and advanced diagnostic services in our laboratory and X-Ray departments. In short, we deliver primary care+. We work hard every day to be a good primary care + medical center, continually enhancing the quality of care for the local population.

We work closely with various stakeholders in our daily operations. For elective specialist care and emergency referrals we maintain strong partnerships with medical centers in St. Maarten and

hospitals in Bonaire and Curaçao. Additionally, we work closely with key stakeholders, including the Ministry of Health, Welfare, and Sport and local public health organizations like GGD and GGZ.

What we offer

- A temporary assignment of 4 months for 16 hours per week.
- The opportunity to work in a dynamic work environment.

Interested?

Are you the quality support specialist we are looking for? We invite you to submit your resume with a cover letter, copies of your diplomas and certificates, and two references to SEHCF to Mr. Philip van Woerkom, Chairman of the Board of Directors, via email: hr@sehcf.org and cc: philip.vanwoerkom@sehcf.org. Mr. Philip van Woerkom can also be contacted for questions via tell: +599 319-7279.

We look forward to receiving your response! Please note: This role is temporary and intended to perform specific tasks within a project.

Closing date: 1 March 2025
