

Manager Care (Interim)

We are seeking a dedicated professional who can step into the role of Manager Care (Interim) at St. Eustatius Health Care Foundation (SEHCF). In this position, you will lead our care team, emphasizing quality and inspiring to deliver exceptional service. You will oversee inpatient care, acute care, outpatient care, home care, front desk clinic, ambulance drivers, laboratory staff, midwife, physiotherapist, and radiology staff departments.

Your leadership will be crucial in ensuring our patients receive quality care. Collaboration with other management members is essential to meet our strategic objectives. Your hands-on approach will set a positive example and motivate others, while your strong communication and management skills will drive our mission of achieving excellence in quality patient care.

You will be responsible for:

- Ensuring continuous compliance with regulatory standards from the Dutch Inspectorate to ensure quality care delivery.
- Taking the lead in initiatives to enhance care quality across all departments, focusing on continuous learning and training for all team members and establishing a culture of safety and excellence within the organization through team development.
- Continuously evaluate service performance and take corrective action as necessary through service development strategies and enforcing operational policies and procedures in innovative ways to support efficient and effective care delivery.
- Providing strategic guidance and recommendations to management for continuous quality development and improve care practices, ensure alignment with organizational objectives and year plan, raise staff engagement, and increase community awareness of our services.
- Contributing to workforce planning, developing and optimizing efforts, and participating in financial budgeting, planning, and resource allocation activities to support organizational goals.
- Enhancing Employee Engagement – Developing and implementing strategies to foster a positive work environment, increase employee satisfaction and retention, and promote open communication and collaboration among team members.

Who are we looking for?

- A minimum of an HBO bachelor's degree, preferably supplemented with post-bachelor's management training.
- Five years of experience in a managerial within healthcare.
- Strong managerial and team-leading skills, with the ability to stimulate and lead through coaching and guidance.
- Exceptional interpersonal skills and cultural sensitivity.
- Analytical skills and the ability to utilize data for decision-making.
- Fluency in both English and Dutch languages.
- Residency on St. Eustatius or willingness to relocate to St. Eustatius.

About St. Eustatius Health Care Foundation

The St. Eustatius Health Care Foundation (SEHCF) manages the island's premier and only medical facility. Our dedicated team of 65 professionals includes nurses, doctors, supporting administrative staff, a midwife, a physiotherapist, a gynecologist, and specialized Practice Nurses for chronic care, ensuring comprehensive primary care services for our community.

At SEHCF, our commitment to excellence is reflected in our diverse range of healthcare services. From outpatient services featuring general practitioner care and visiting specialists to community (home) care, emergency response, inpatient care, physiotherapy, and advanced diagnostic services in our laboratory and X-Ray departments. In short, we deliver primary care+. We work hard every day to be a good primary care + medical center, continually enhancing the quality of care for the local population.

We work closely with various stakeholders in our daily operations. For elective specialist care and emergency referrals we maintain strong partnerships with medical centers in St. Maarten and hospitals in Bonaire and Curaçao. Additionally, we work closely with key stakeholders, including the Ministry of Health, Welfare, and Sport and local public health organizations like GGD and GGZ.

What we offer

- **Comprehensive Benefits:** Competitive benefits package
- **Full-time position:** 40 hours per week; for a period of 3 months
- **Compensation:** Based on full-time employment, this position is classified according to FWG system 3.0 and is scaled at level 65. The monthly gross salary starting from USD 4,907.00 to 7,247.00 (depending on experience).
- **Career Development:** Opportunity to make a significant impact on healthcare services in a close-knit community.
