

## Assistant Maintenance worker / Ambulance driver

We are seeking a dependable and skilled **Assistant Maintenance worker / Ambulance Driver**. This vital role combines hands-on maintenance duties with essential support in ambulance transport and emergency medical operations. The ideal candidate is someone who is practical, safety-minded, and committed to supporting both facility operations and patient care services.

### Primary Responsibilities: Facility & Vehicle Maintenance

- Assist the maintenance worker with general upkeep tasks, including repairs to buildings and light fixtures, based on work orders.
- Perform minor building maintenance, such as wall painting and light installations.
- Conduct preventative checks and perform basic maintenance on medical vehicles and equipment.
- Ensure cleanliness, hygiene, and functional readiness of all vehicles, including ambulances.
- Take preventive safety measures to protect self, others, and property while working.
- Manage materials, tools, and equipment; report shortages and supply needs to the Manager Facility and Services.
- Maintain the exterior of the facility, including mowing lawns, trimming plants and shrubs, and pruning trees periodically.

### Secondary Responsibilities: Ambulance Driving & Patient Transport

- Drive the ambulance safely during scheduled patient transport or emergency response situations.
- Assist medical staff with lifting and positioning patients, as well as basic care tasks during transport.
- Provide support in emergency situations, including performing Basic Life Support (BLS) when needed.
- Assist in the Emergency Room as requested, including setting up oxygen and helping manage patients.
- Communicate effectively with patients, staff, and emergency services.

### Your profile:

- MBO level or an associate degree in a technical field, preferable basic construction, supplemented with an ambulance course and basic life support certificate;
- Good command (spoken and written) of the English language, Dutch is an asset;

- Valid driver's license.
- Physically fit, safety-conscious, and calm under pressure.
- Able to work independently and as part of a multidisciplinary team.
- High level of independence and eager to stay abreast of the latest developments in the function area.
- Opening and wellness to be training in the medical ambulance field

### About St. Eustatius Health Care Foundation

The St. Eustatius Health Care Foundation (SEHCF) manages the island's premier and only medical facility. Our dedicated team of 65 professionals includes nurses, doctors, supporting administrative staff, a midwife, a physiotherapist, a gynecologist, and specialized Practice Nurses for chronic care, ensuring comprehensive primary care services for our community.

At SEHCF, our commitment to excellence is reflected in our diverse range of healthcare services. From outpatient services featuring general practitioner care and visiting specialists to community (home) care, emergency response, inpatient care, physiotherapy, and advanced diagnostic services in our laboratory and X-Ray departments. In short, we deliver primary care+. We work hard every day to be a good primary care + medical center, continually enhancing the quality of care for the local population.

We work closely with various stakeholders in our daily operations. For elective specialist care and emergency referrals we maintain strong partnerships with medical centers in St. Maarten and hospitals in Bonaire and Curaçao. Additionally, we work closely with key stakeholders, including the Ministry of Health, Welfare, and Sport and local public health organizations like GGD and GGZ.

### What we offer

- **Full-time position:** 40 hours per week (include on-call shift); for a period of 1 year and the possibility of extension based on performance.
- **Compensation:** Based on full-time employment, this position is classified according to the FWG system 3.0 and is scaled at level 30. The monthly gross salary starting from USD 2,067.00 and USD 2,636.00 (depending on experience).
- **Competitive benefits package:** In accordance with our Collective Labor Agreement
- **Pension and health coverage:** Participation in the Dutch Caribbean Pension Plan and Zorgverzekering BES health insurance plan.
